MEMORANDUM

TO: Bad River Tribal Council
FROM: Susan Aasen, General Counsel
DATE: May 29, 2008
RE: Suspension of Executive Director

S. A.

I reviewed the memo from Donna Lynk, Secretary, regarding the suspension of the Executive Director.

The issue of the Tribal Council voting to suspend the Executive Director on May 22, 2008 is under legal review in the Legal Department. The preliminary research and consultation with other lawyers indicate that the vote on May 22, 2008 is legally insufficient. The actual vote of the Bad River Tribal Council wherein the majority abstained indicates that vote is a negative vote.

The Legal Department will complete its legal research by Friday, May 30, 2008. I am advising the Bad River Tribal Council to hold in abeyance any action on this matter until the research is completed.
